GOVERNMENT TECHNICAL EXAMINATIONS—JANUARY 1918

Notice is hereby given that the *Written test* in connection with the next Government Technical Examinations in Hygiene and Animal Physiology, both of the *Intermediate* grade, will be held on the 4th and 5th January 1918, respectively, *the Oral and Practical tests being conducted almost immediately after these dates* in accordance with a notice that will be published in due course in Part I-B of the *Fort St. George Gazette*.

2 *The Written, Oral* and *Practical* examinations will be held only at Madras. No notice will be taken of the application of any candidate who selects centre other than Madras.

3 In the case of applications from *pupils*, the head of the institution from which they are sent is requested to see, before signing the certificate at the foot of each application, that the institution has been recognized by the Director of Public Instruction, Madras, as fitted to impart instruction in Hygiene and Animal Physiology, according to the Intermediate grade.

N.B.—Heads of institutions recognized for *General Education* only should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for the Technical examinations.

4. Candidates must send in their applications made out in English on *printed forms so that they reach the Commissioner's Office on or before the 30th November, after which date no applications will be received.* Only one form of application should be used by each candidate, although he may bring up both the subjects.

5. Candidates in the mufassal should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong. Candidates who are residents of Madras should apply for application forms at the Office of the Commissioner for Government Examinations, Old College, Nungambakkam, and not to the Collector of Madras.

N.B.—No notice will be taken of any application from candidates in the mufassal requesting to be supplied with application forms from that office.

6 The following is the fee to be paid by candidates for admission to the examinations :—

For each subject according to the Intermediate grade .. .. .. Rs. 5

7. The prescribed fee must be paid in every case into a Government Treasury or, if at Madras, into the Bank of Madras, on or before the 30th November, and the receipt given by the Treasury Officer or the Bank of Madras, attached to the application. Care should be taken to see that the fee is remitted *sufficiently early* so that the fee receipt obtained may be attached to the applications which must reach the Commissioner's Office on or before the 30th November. *On no account will the fees be received in the Commissioner's Office whether sent in cash or by Post Office orders.*

NOTE.—*At Madras, in the case of all pupils, the fees should be collected by the Headmaster and sent in a lump sum to the Bank of Madras together with two lists of the pupils, one of which will be returned by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to the office along with the applications of the candidates. The necessary forms for this purpose will be supplied by this office to Headmasters on application.*

8. Each application should be sent direct to the undersigned, post-paid, superscribed and addressed as follows, the receipt for the fee paid *being securely fastened to it* :—

[*Applications for admission to the Government Technical Examinations.*]

To the Secretary to the Commissioner for Government Examinations,
Nungambakkam, Madras, S. W.

N.B.—Candidates anxious to assure themselves that their applications have been received should enclose *an addressed post-card to their respective applications.* The post-card should bear the sender's address only and no other writing. Such post cards will be returned to them in due course with the "received" stamp of the office impressed upon them. No other form of acknowledgment except that required by the postal rules regarding registered covers can possibly be given, nor will any notice be taken of any letter from any candidate enquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

9. Candidates should write their names, their father's names and their house names *distinctly* and *in full* in their applications and give their *address in full* also, if "Other Hindus" they should state in column 5 of their applications whether they are "Non-Brahmin Caste Hindus" or "Panchamas." Applications defective in any particular will be returned.

N.B.—*The occupation or profession of candidates, or the appointments held by them, should invariably be stated—in full—in column 10 of their applications.*

10. *The fee paid will, in no case whatsoever, be refunded, nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are accordingly warned to study the notification carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination.*

11. Subject to any change that it may be necessary or convenient to make in the arrangement the Written examination will be conducted in the order of time and subjects shown in the following table :—

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

(4) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room, and the circumstance reported to the Commissioner.

(5) Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or is suspected of having had recourse to malpractice of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, *if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results*, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

TEACHERS' CERTIFICATES' EXAMINATION IN DRILL AND GYMNASTICS, 1917.

The examination will be held at the Physical Training Centre for European Schools, Egmore, near White Memorial Hall (Madras), on the 3rd and 4th December 1917 beginning at 7-30 a.m. on each day.

H. A. HART,
Acting Inspector of European and Training Schools.

Madras, 5th November 1917.

NOTIFICATION.

Correspondents of Elementary Schools of all grades within the jurisdiction of the Tripicane Range who wish to have their schools aided during 1918-1919, are hereby requested to send in their applications on the prescribed form by the 30th November 1917 at the latest. Those received later will run the risk of being rejected.

2. Blank forms of application can be had at the office.

3. In column (3) of the application the correct address of the school should be given. Very often the old, antiquated and obsolete name of the street is given which causes much difficulty in finding out the school. The number of the Municipal Division, the name of the locality, street and the private door number—all these are indispensable.

4. Column (5) should exhibit the name of the correspondent with his address *clear of distracts*. Where the manager owning the school and the correspondent are one and the same person, the fact should be stated.

5. It is the column concerning teachers that requires special attention. The vague entry "trained", is often meaningless. In the case of a trained teacher the following particulars should be furnished :—

(i) Period of training—From ——— to ———.
(ii) Grade—Secondary or Elementary; Higher or Lower.
(iii) the nature of the certificate held whether probationary or final with date in each case.

The designation of each member on the staff is also required, or the whole thing becomes a regular master-roll without any definiteness.

Where the number of teachers is more than what is allowable or justifiable under the rules, a note of explanation needs be added specifying the purpose for which the arrangement is made.

6. The office cannot be held responsible for failure on the part of the correspondents to send in their applications in time.

7. In column (14) of the application may be given the number and date of the order recognising the school, if already on the aided list.

S. SWETARANYA SASTRI,
Sub-Assistant Inspector of Schools, Tripicane Range.

SALE OF RIGHT TO MANUFACTURE OF SALT IN THE KADAIKADU EXTENSION OF THE NEDAVASAL FACTORY.

THE public are hereby informed that the right to manufacture salt under the modified excise system in the Kadaikadu extension of the Nedavasal factory, Tranquebar Circle, will be sold by auction by the Inspector of Salt, Abkári and Customs department, Tranquebar circle, at his office at Tranquebar on 19th November 1917, subject to the following conditions :—

1. The area to be assigned will be divided into lots of five acres each approximately and the right to manufacture salt in each such lot will be put up for sale.

2. A deposit of Rs. 5 must be made by every intending bidder previous to bidding.

3. No person will be allowed to bid on behalf of another unless he holds a power-of-attorney from him authorizing him to do so.

4. The selling officer may, for valid reasons, refuse to accept any bid, and in case of dispute, his decision shall be final. If, for any reason, the highest bid is rejected the selling officer may, at his discretion, either accept the next highest bid or put the lot up for sale again.

5. The sale will be subject to formal confirmation by the Board which may either accept or reject the highest or any bid at its discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

6. As soon as possible after the auction is completed the deposits made by the unsuccessful bidders will be returned to them.

7. As the auction proceeds, each successful bidder shall at once, if so required by the selling officer or otherwise at the close of the day's sale, make a further deposit equal to one-fourth of the purchase money. Should he fail to do so the deposit made by him under condition 2 supra will be forfeited and the holding or holdings will be put up to auction again on the above conditions or otherwise disposed of, as the Deputy Commissioner may determine and the defaulter may be debarred from bidding again at any subsequent sales of salt pans.

8. On receipt of intimation of the final acceptance of the bid, the successful bidder shall at once pay the whole amount of his bid after deducting from it the amounts of deposits already paid by him. Should he fail to do so, the deposits made by him under conditions 2 and 7 supra will be forfeited and the salt pans will be sold, or otherwise disposed of, as the Deputy Commissioner may determine.

9. Resales effected under condition 8 will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of loss, will be required to make good the deficiency between the amount payable under the terms of the original sale and that payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the manner laid down in section 34 of the Madras Salt Act IV of 1889. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable, if the salt pans are disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

10. Licences to manufacture salt under the modified Excise system and leases of the areas assigned will be granted to the successful bidders.

11. The conditions of the licence and lease and the particulars of the lots to be sold may be ascertained on application to the Inspector, Tranquebar Circle.

AUDIT ORDER OF THE MADRAS NARIANGADU CO-OPERATIVE CREDIT SOCIETY FOR 1916-17.

The accounts of the Madras Nariangadu Co-operative Credit Society No. 1808 for the co-operative year ending 30th June 1917, as audited by R. Joseph Pillai, clerk, office of the Registrar of Co-operative Societies, Madras, are passed. Statements showing (1) Receipts and disbursements, (2) Profit and loss, (3) Assets and liabilities furnished by him are appended to this order.

2. The society began work on 17th September 1916. There were 82 members at the end of the year with a paid-up share-capital of Rs. 87. During the year the society borrowed Rs. 5,000 from the Triplicane Co-operative Stores and deposited it with Madras Corporation for the acquisition of house-sites for its members. Fourteen loans to the value of Rs. 143 were disbursed to the members of which a sum of Rs. 112 was received back. Seven loans valuing Rs. 31 were outstanding against members at the end of the year.

3. The society incurred during the year a loss of Rs. 71-6-7, and this will be the first charge on the profits of the year 1917-18. The loss was mainly due to the interest accrued on the loan taken from the Triplicane Stores. As soon as the land acquisition is finished and house-sites allotted to members, the members will pay their share of the cost of the land and the apparent loss will be wiped out.

4 The society is requested to remit Rs. 25-0-0 to the Madras Provincial Co-operative Union, Limited, towards the supervision fund.

AUDIT ORDER OF THE MADRAS OBBARAVAPALAIYAM CO-OPERATIVE SOCIETY FOR 1916-17.

The accounts of the Madras Obbaravapalaiyam Co-operative Society No. 1415 for the co-operative year ending 30th June 1917, as audited by R. Joseph Pillai, clerk, office of the Registrar of Co-operative Societies, Madras, are passed. Statements showing (1) Receipts and disbursements, (2) Profit and loss and (3) Assets and liabilities furnished by him are appended to this order.

2. The society was registered on 5th February 1915 but has not begun to work. No deposit has been taken nor has any loan been given to any member. The money collected at the time of starting in the shape of share subscriptions and entrance fees has been kept idle. Evidently the members do not want the society. If this is really so, the sooner the society is cancelled the better.

3. The society incurred a loss of As. 4 during the year. It worked at a loss of Rs. 9-9-6 in 1915-16. The total loss incurred is Rs. 9-13-6.

Joseph Pillai, clerk, Office of the Registrar of Co-operative Societies, Madras, are passed. The three statements (1) Receipts and disbursements, (2) Profit and loss, (3) Assets and liabilities are appended to this order.

2 The period under review was the fourth year of the society's working. There were 41 members in the society at the beginning of the year. Five members joined the society during the year and one member withdrew. Thus the number of members at the end of the year was 45 and their paid-up share capital amounted to Rs 78-8-0.

3 Deposits received from members and non members fell from Rs. 314-8-0 at the beginning of the year to Rs. 276 at the end.

There were 24 loans amounting to Rs. 488-0-0 outstanding against members at the end of the year out of which so many as 17 loans amounting to Rs. 154-2-6 were overdue. These overdue loans should be recovered immediately.

5 One general and nine committee meetings were held during the year. The panchayat should try to meet at least once a month on some fixed date. Such meetings will keep the work of the society continually before the members.

6. During the year under review the society earned a net profit of Rs. 84-3-3 which should under its by-law No 25 be carried to the credit of the reserve fund. Deducting therefrom Rs 6-5-4 being the interest earned on the accumulated reserve the society is instructed to invest the balance Rs. 78-13-11 together with Rs. 24-10-4, due to the reserve fund out of the profits of the previous year in the Madras Central Urban Bank, Limited. With this addition the total reserve fund of the society will amount to Rs. 127-6-11.

7 The Registrar hopes that in the current co-operative year the society will show more progress in its working.

8. The society is requested to remit Rs. 1-6-2 to the Madras Provincial Co-operative Union, Limited, towards its supervision fund.

AUDIT ORDER OF THE MADRAS ELEMENTARY TEACHERS' CO-OPERATIVE SOCIETY FOR 1916-17.

The accounts of the Madras Elementary Teachers' Co-operative Society for the co-operative year ending 30th June 1917 as audited by R. Joseph Pillai, clerk, Office of the Registrar of Co-operative Societies, Madras, are passed. Statements showing (1) Receipts and disbursements, (2) Profit and loss for the year and (3) Assets and liabilities as they stood on 30th June 1917 furnished by the auditor, are appended to this report.

2. The year under review is the third year of the society's existence. At the close of the previous year there were 33 members with a paid up share-capital of Rs. 114. During the year there were 24 admissions and 3 withdrawals. Thus at the end of the year there were 54 members on the roll and the share-capital paid by them amounted to Rs. 214.

3. Of the 17 loans amounting to Rs. 615 outstanding against the members at the end of the year, 15 loans amounting to Rs. 211 were overdue. It is reported that in certain cases loans were granted

to members exceeding the maximum permissible to them under the by-laws. This is a serious violation of the society's by-laws and should be remedied early by the Directors.

4 During the year under report the society earned a net profit of Rs. 31-13-5 of which a sum of Rs. 15-14-9 should be carried to the credit of the reserve fund and the balance is available for distribution according to by-law No. 34 Deducting (1) As. 3-1 interest earned on the accumulated reserve and already credited to the reserve fund and (2) As. 2-3 being the excess in the reserve, from Rs. 15-14-9 the society instructed to remit the balance Rs. 15-9-6 to the Madras Central Urban Bank for being invested therein. With this sum the total reserve will amount to Rs. 21-10-6.

5 The society is requested to remit Rs. 7-4-5 to the Madras Provincial Co-operative Union, Limited, towards the supervision fund.
